eligibility

Postgraduate students and 3rd-4th year Bachelor's degree students in Engineering/Technology/Sciences

Students registered for degree programs, B.E./B.Tech./BSc/BSc-BED with 6+ semesters, M.Sc/MBA with 2+ semesters

2nd year Master's or 3rd/4th year Bachelor's students, top 10% in discipline, Indian nationals studying in India

External students who find IIT Bombay supervisor

UG engineering students, completed 2+ years, top 10 in branch/program, IIT students not eligible

Students with Unity/Unreal Engine skills interested in serious games

Completed 3 years (6 semesters) B.Tech/B.E. CS by summer 2025, Indian nationals

Full-time availability for 1-2 months at IIT Dharwad campus

Pre-final Bachelor's (3rd year) and Pre-final PG (1st year) from MoU signed institutes only

Non-IIT Hyderabad students, UG/PG, full-time availability

unknown

Pre-final year B.E/B.Tech/B.Sc/M.Sc/B.A/M.A students

3rd year BE/BTech/BSc Engg, 3rd-4th year integrated ME/MTech, 1st year ME/MTech/MSc/MA, MBA with outstanding ac

Completed 2+ semesters UG (BArch/BE/BTech/MSc/MA). CGPA >7.5 IITs/IISc, >8.0 NITs/IISERs, >8.5 others

UG students with faculty mentor consultation

unknown

unknown

Postgraduate and 3rd-4th year Bachelor's students

Students offered internship by IIT KGP faculty

unknown

unknown

BE/BTech/BSc/BSc-BEd with 6+ semesters, MSc/MBA with 2+ semesters, excluding NIT Warangal students

UG students from other colleges with faculty mentor consent

unknown

unknown

unknown

Students from various engineering streams

Students who completed AI/ML Training at iHub-Data IIITH

Faculty/research scholars/postdocs/industry professionals with expertise in NPTEL course domains

unknown

UG/PG students from other institutes

unknown

UG/PG students, strong programming and open-source commitment

Students with technical skills and interest in creating educational tutorials

Students interested in technical festival organization

Students from all colleges

Similar to summer internship eligibility
Exceptional CS/EE students, strong academic record
MSc Physics, strong academic background
UG/PG EE students with relevant background
UG/PG Mechanical/Aerospace students
UG/PG Chemical Engineering students
UG/PG Aerospace/Mechanical students
Undergrad/PG students; topics listed on page
B.E./B.Tech./M.Sc./Masters students (per announcement)
M. Sc. / B. Tech / others (per page)
M.Sc. / B.Tech / B.E. candidates (per page)
Students (see RuTAG page for specifics)
Dependent on host faculty and bioschool rules
IITD students and visiting students (see page)
Undergrad/PG students (department hosts interns annually)
MBA students (VGSoM)
Students per faculty guidelines
Bright B.Tech / Integrated M.Sc / others (per portal)
Open to Indian university students (per ad)
Students (see PDF for streams)
Selected students
See department pages
MBA / management students (placement-driven)
Fellowship rules (IAS/INAE) - see dept page
MBA students of DMS
Open to eligible applicants (see PDF)
Students from Indian universities/institutes
Students via placements
See RuTAG pages
Students applying via NITR portal
Per faculty or dept announcement
See COE page
See individual department pages

notes

Accommodation available on shared basis (paid by intern). Students from IIT Palakkad not eligible.

Hostel accommodation available if available (paid). Fellowship may be provided by supervisors.

Campus accommodation subject to availability. Interviews: Oct 27 - Nov 14, 2025. Results by Dec 10, 2025.

Fees required (non-refundable). No hostel accommodation. Library access provided.

Free accommodation, food, and travel reimbursement (sleeper class). Selection list in 2nd week of April.

no official institute page found - info from third-party source. Focus on happiness studies & emotional intelligence games.

Accommodation available subject to availability (nominal charge). No emailing faculty required after form submission.

Free accommodation and food provided. Selection through screening and online interview.

Limited to MoU partner institutes. Research training with hardware/software tools.

250 total interns, 100 reserved for female candidates. Accommodation provided (mess charges by intern). Results announced

Official program page exists. Details to be announced on website.

no official institute page found - info from third-party aggregator. Free accommodation for top performers.

Schedule flexible to suit students. Institute internship process through placement cell.

no official institute page found - widely reported program. Project-funded internships also available. Temp ID for facilities.

no official institute page found - mentioned in aggregator listings

no official institute page found - free accommodation not guaranteed

no official institute page found - mentioned in summer training archives

Official page exists but minimal details available

no official institute page found - independently shortlisted by faculty. Microsoft sponsorship available for select students.

no official institute page found - typically announced in March

no official institute page found - launched May 8, 2006 under Centre for Continuing Education

Free hostel accommodation (first-come first-served). Lab and library access. Results April 21. Contact: Prof. Syed Ismail,

Paid hostel accommodation (first-come first-served, May 19-June 30). Certificate upon completion.

Official application portal exists

no official institute page found - mentioned in training archives

no official institute page found - mentioned in training archives

Multiple projects available. Can apply to max 3 projects. Results by April 15, 2025.
